PREFACE.

We again present our patrons and the public with a new edition of the Malden, Medford, Melrose, and Everett Directory for their use, and we trust their approval. We have spared no trouble or expense in the canvass and compilation of this edition of the work, to make it in all respects as correct and reliable as it is possible to issue a book of this kind.

The difficulty of compiling a Directory is seldom understood, and is not easily explained. Dependent as we are upon local patronage, it is an absolute necessity that we have the support of the *entire business community*, who derive the largest portion of the benefits of such a work.

A Directory contains a great amount of information concerning the public, religious, charitable and private institutions of the place, which makes it a valuable present record, as well as an historical authority.

Every citizen should have at his place of business, or residence (or both), a Directory of their Town, from time to time, as published, not only as a daily convenience, but also as a valuable record of local history.

Thanking all those who have kindly aided us by their generous patronage and otherwise, and hoping that we may merit a continuance of the same in our future editions, we remain,

Very respectfully, &c.,

GREENOUGH, JONES & CO.

THE ÆTNA INSURANCE COMP'Y,

Of Hartford, Conn.,

After a successful and honorable career of fifty-five years is still the leading American Insurance Company. The Company has paid in losses since the Chicago fire, eleven millions of dollars. It has twice since that time renewed its capital stock, and is to-day paying dividends to holders of its stock.

What other Company has so magnificent a record. To all insurers in Stock Companies we say "TAKE A POLICY IN THE ÆTNA." No other Corporation has any advantages over this Company, and none is more liberal in its rates, or more sure to settle a loss without controversy.

The subscriber attends to all business for the Ætna in Malden and vicinity.

CHARLES MERRILL,

At the First National Bank of Malden.

FAIR AND MODERATE INSURANCE.

THE MIDDLESEX MUTUAL INSURANCE COMPANY,

Of Concord, Mass.,

Insures Dwellings and Outbuildings in Middlesex County only.

Cost of Insuring a Dwelling in this Co. for five years for $1,000, 1 1-2 per cent.	**$15.00**
At the end of five years a dividend will be returned to the person insured of 60 per cent.	**9.00**
Cost for five years is.	**$6.00**

In ordinary insurance cases the cost of insuring $1,000 on a good dwelling house is twenty dollars for six years and eight months. In the Middlesex Company **twenty dollars** will insure the same house "**sixteen years and eight months,**" to say nothing of interest on the premiums. Do not throw away your money on Insurance in remote or bogus Companies when the best Company in the State will insure at the above rates.

CHARLES MERRILL, Agt., at Malden Bank.

ESTABLISHED 1768.

JOHN PRESTON,

MANUFACTURER OF

Premium Cocoa and Broma, Vanilla, Sweet French and American

CHOCOLATES.

OFFICE,

162 State Street, Boston.

PRESTON'S BREAKFAST COCOA.

The very agreeable character of this preparation has rendered it a general favorite wherever it has been introduced. Invigorating and sustaining in its properties, with a refined and grateful flavor, developed by the special mode of preparation, after many years of experiment, by a process peculiarly his own, unknown to any other manufacturer, and secured by Patent.

This Cocoa is now being used as their habitual morning beverage by many familes

who have never used Cocoa before, and is fast winning favor with the public.

Medical men recommend Cocoa to invalids and convalescents, as preferable to tea or coffee; for, while soothing to the nervous system, it is restorative, invigorating, and sustaining in its nature, and therefore well adapted to those in feeble health, or of sedentary habits, and especially so to mothers, both before and during the time of nursing, improving the quality and increasing the quantity of milk, and by its nutritive properties sustaining the strength of both mother and child.

The superior quality os this article has induced others to attempt to imitate it, and the public are cautioned to beware of any other than the

GENUINE PRESTON'S BREAKFAST COCOA,

As there can be no other like it,—the trademark of which is secured by copyright.

It is easily prepared for the table, and should be kept on hand by every family for ready use. It is neatly put up in pound and half-pound packages, with directions for use on each package, and sold by the grocers generally.

PIANOS! PIANOS!! PIANOS!!!

"THE PARLOR FAVORITE,"—The immense demand for this popular instrument has induced us to make its manufacture a specialty, and we are consequently enabled to offer them at much lower rates than are charged for similar instruments by other makers. Are used in thousands of families and a large number of Public Schools and Conservatories of Music throughout the United States, India, Sweden, Cuba, South America, and Peru, giving entire satisfaction.

Among a score of testimonials is a Gold Medal just received for our New Square Grands which are justly called the *best Pianos in the world* by the leading musicians throughout the country. Celebrated the world over for their remarkably pure and brilliant qualities of tone, thoroughness of construction and finish. Inquire of resident dealers or send for catalogue.

☞ Pianos sold on monthly installments and to let at very low prices. Stools and Covers constantly on hand. ☜
